

# CUE Quest

AUG 31 - SEP 4, 2011

**Your journey  
begins here...**

Congratulations on your admission to Canadian University College. As an eager and inquisitive college student you no doubt have questions about your upcoming transition into the CUC experience. We want to make sure that you are ready to go from day one and UNIV101 CUE Quest is how you do just that.

## CUE Quest?

The acronym CUE stands for Complete University Experience. UNIV 101 CUE Quest is a multi-day university course that begins prior to the start of regular classes in the fall and continues into the first few weeks of the first semester. This course will give you the opportunity to meet faculty, staff, student leaders, and other new students. Our team will help you make the important transition to university while providing you with information and resources you

will need as a CUC student. UNIV101 CUE Quest will introduce you to all aspects of campus life and prepare you for a successful school year. In addition you will have the opportunity to get to know other first-year students during the weekend retreat at Camp Silversides. It will be a weekend full of games, skits, and worship. There will also be plenty of time to relax, eat, talk, and make new friends. Your CUC journey begins here...

## CUE Quest FAQ

### CAN I SKIP UNIV 101 CUE QUEST AND GO STRAIGHT TO REGISTRATION DAY?

- CUE Quest is a mandatory course for all first-year students who have not previously completed at least 18 credits at the university or college level. Because you will receive a grade for this course, you must ensure that you attend ALL scheduled events. Late arrival or skipping events will impact your final grade in the course.

### WHEN SHOULD I ARRIVE ON CAMPUS?

- CUE Quest begins on Wednesday 31 August 2011 at 5:00 PM. The dormitory opens on Monday 29 August. As you will want to allow some time to settle into the dormitory or your apartment, we recommend arriving no later than Wednesday morning.

### HOW DO I KNOW IF I AM EXEMPT FROM ATTENDING UNIV101 CUE QUEST?

- If you have completed 18 or more semester credits at an accredited university or college you are automatically exempt. This is verified based on your official transcripts from the university(s) and/or college(s) you previously attended.
- If you have been admitted to CUC under the mature student admissions policy, you may contact the course instructor, Dr Joy Fehr at [jfehr@cauc](mailto:jfehr@cauc) or 403.782.3381 x4031 to request permission for an exemption.
