CUC is partnering with A Better World to offer a 4 week mission trip to our students April 25-May 30, 2012. We will be going to Bolivia, South America to spend time at CERENID, a boys home located about 2 hours from Bolivia's biggest city, Santa Cruz. These boys have been abandoned by their families, hence they are forced to fend for themselves as young as 3-4 on the streets of Bolivia. As a result, these boys need to learn to be tough, and many of them cut themselves on purpose as to scar and hence make themselves look mean. CERENID was founded with the intention of taking these boys off the street giving them a safe home, in which they must abide by the rules and a chance for education and if they stay around till the end of high school jobs are found for them. The project at the moment will be to restore their bathrooms and laundry room, while offering our services in the kitchen, in the classrooms and in the church services.
