### **Clubs**

Over 25 academic-departmental and special-interest clubs have been established on campus. Students wishing to organize a club on campus should file a request at the Student Services Office. Only approved organizations are to plan functions and select officers. Information is available online and at the Student Services Office detailing campus club regulations and procedures for planning activities and services. For more information on existing organizations, contact Student Services, Ext. 4033.

See Student Organizations for more information.
