A CELEBRATION OF NEGRO SPIRITUALS

FEBRUARY 2, 2024

COLLEGE HEIGHTS SEVENTH-DAY ADVENTIST CHURCH

7:30 PM

Ubuntu is celebrating over 5 years of music making, community building and the pursuit of excellence. The concert is free, but we encourage you to bring a donation for Ubuntu's Spring Tour as we will be travelling all the way to The Bahamas or please consider donating online at burmanu.ca/ubuntu to help make our students' dreams a reality.

This anniversary celebration coincides with Pastor Romando's final year as conductor of Ubuntu and will serve as a passing of the baton to our new leaders. You can expect to be inspired like never before as Ubuntu will also be joined by guest performers who personify our past and our future.

News from the Cafe

What the café' retail is offering.

We have always offered snacks, drinks and grab and go. But in the last few months we have expanded our retail offerings. As you will see in the photos provided.

In these photos you can see that we continue to carry many of the students' favorites. Including caffeine free soft drinks, Bottled juices and water, candy, salty snack, protein bars and granola. We did streamline the options by selling out any of the items that didn't seem to be popular with our guests. We did replace some with items student asked for, like bottled smoothies, less expensive bottled water. More flavors of instant ramen.

Burman Café' Retail

We also added more and continue to add to our grab and go station. Items such as gourmet deli sandwich's, salads, pasta dishes, entrees, Samosa's, Spring rolls, Sushi, bagels and cream cheese. These items change daily so guest don't become board of the offering. We offer daily baked goods, gluten free baked items, whole fresh hand fruit, especially plenty of citrus for the chilly months. One of our great sellers is our homemade "Immune Shot" which includes Orange, Grapefruit, Lemon, Lime, Ginger and Honey. We are now offering basic hygiene products, so our student don't have to cross town to the nearest store.
