# CABL Weekend

Collegiate Advocates for Better Living

March 11 & 12

Guest Speaker: Dave Fiedler

Dave Fiedler has worked as a classroom teacher, school principal, writer, editor, and vegan restaurant manager. He has written four books--Hindsight (lessons from Adventist history), d'Sozo (medical missionary work and it's essential role in the loud cry), Tremble (the counterfeit "spirituality" of Satan's final deception), and Tactics (the central role of "medical missionary principles" in the whole of the great controversy). He currently lives in British Columbia with his wife, Clarissa, and supports his addiction to teaching and preaching by working part time in a dental clinic.

Hope to see you all at CAYA, church, and Gym Night!
